GORTITE® ALUMINUM ROLL-UP DOORS
SAFE AND SECURE ACCESS FOR YOUR EQUIPMENT COMPARTMENTS

Features/Benefits:

Increased Safety
• Keeps personnel safe by allowing them to remain closer to the vehicle
• Eliminates damage associated with swing-out doors

Security
• Constructed of strong, double-sided aluminum extrusions
• Manual and powered lock options available to keep your items secure

Attractive Appearance
• Smooth, satin anodized aluminum finish
• Available in custom painted finishes to precisely match your vehicle

Maximum Use of Compartment Space
• 3-inch diameter take-up roller minimizes header height
• Full view of compartment
• Easy access to equipment

Simple, Smooth Operation
• Fast and easy opening and closing
• Quiet idler roller dampens noise and vibration
• Rib design minimizes equipment hang-ups

Easy Roller Door Installation and Field Replacement
• Quick and easy installation
• Aluminum extrusions are individually replaceable without disassembling the entire door by removing push out clips on each end
• Choose from several one-piece side rail options, with option mounting holes predrilled free of charge

Quality Guaranteed
• Roll-up doors manufactured in the USA
• Stainless steel lift bar

Full Complement of Options and Accessories
• Magnetic door ajar switch allows operator to know instantly if door is not securely closed
• Manual lock, or compact power lock with manual override
• See-through slats
• Inside opening handle
• Bright, efficient LED compartment lighting

Customer Support
• Largest sales rep and technical support network nationwide
GORTITE® ALUMINUM ROLL-UP DOORS | DESIGN FEATURES

Maximum Compartment Space
Gortite spring-loaded take-up rollers are only 3” diameter and allow for a small rolled-up diameter and maximum compartment storage.

Easy Lifting, Fast Opening and Closing
Spring-loaded operation makes it easy to open and close the roll-up door.

Dynatect’s Exclusive Gortite Roller Warranty
The spring-loaded take-up roller carries a lifetime warranty.

Durable, Strong, Lightweight Design
Slats are made of strong, double-wall of lightweight anodized aluminum, with a weather seal between each slat.

Stainless Steel Lift Bar
With additional bottom clearance for easy grip, roll-up doors withstand force and speed with a sturdy stainless steel lift bar.

Noise and Vibration Idler Roller
Foam-covered idler roller dampens noise and vibration.

Individual Slat End Caps Provide Superior Protection Against Leaking
The “G-Rib” design also has a polyurethane seal that rests up against the following rib creating a weather-tight seal when the door is closed.

STANDARD OPTIONS

Top Drip Rail

Still Plate

Stainless Steel Lift Bar

Individual Slat End Caps Provide Superior Protection Against Leaking

Side Rail Options
Any of the side rails can be predrilled to your specifications, free of charge. There are five side rail options available to accommodate the structure of your equipment compartment.

Standard
Universal
Recessed

P-Series
R-Series

Easy to Clean, UV and Extreme Temperature-Resistant Components
All the flexible polymer components such as the wipers and seals are made of Santoprene™. It has a high resistance to UVs and adjusts well to hot and cold extremes. It also cleans easily with mild detergents.

Santoprene™ is a trademark of Exxon Mobil Corporation.
GORTITE® ALUMINUM ROLL-UP DOORS | OPTIONS AND ACCESSORIES

STANDARD OPTIONS (CONT’D.)

High Quality and Custom Painted Finishes
Gortite roll-up doors are made of the highest quality satin anodized finish, with optional paint finish. Basecoat and clearcoat process is used to exactly match your vehicle.

Superior Paint Process Protects Against Chipping
Gortite’s paint process offers customers the ability to precisely match any vehicle color. To prevent paint chipping, the “G-Rib” design increases clearance between the ribs along the front and back edges of the door.

ACCESSORIES

Manual Key Lock
Choice of standard key codes. Heavy-duty locks available for large doors.

Power Lock
Compact design. Manual override in the event of a power failure.

LED Cabinet Lighting

Magnetic Door Ajar Switch
Allows operator to know instantly if door is not securely closed.

Pull Strap
Ideal for tall doors.

See-Through Slats
Rugged polycarbonate material. Ideal for exterior or interior compartments.

Inside Opening Lift Bar
Simple, easy operation. Exclusive Gortite design.

### HOW TO SPECIFY

**So, How Do I Specify Gortite Roll-Up Doors? It’s Easy!**

- Roll-up doors shall be Gortite brand manufactured by Dynatect Manufacturing, Inc.
- Roll-up doors to be constructed of double-sided aluminum extrusions. The extrusions are to be 1-3/8" wide and 3/8" thick with satin anodized finish or painted to match truck body.
- A flexible extrusion shall be between each slat to insure a weather-tight seal.
- Aluminum extrusions shall be individually replaceable without disassembling the entire door by removing push out clips on each end.
- All non-metallic parts to be glass-filled nylon.
- Side channels for the door to ride in shall be provided with seals to prevent dirt and moisture from entering compartment. A single piece top drip rail shall be provided with a seal to prevent dirt and moisture from entering the compartment when the door is fully closed. Bottom of door will also be provided with a seal.
- Lift bar shall be made of stainless steel.
- The door shall be capable of operating in temperatures of -40°F to 180°F.
- Optional accessories shall include a magnetic door ajar system, compartment lighting, manual key lock, power lock, sill plate and pull strap for tall doors.

### Our Exclusive Gortite Roll-Up Door Warranty

Dynatect warrants its Gortite roll-up doors to be free from defects in materials and workmanship for a period of three years from the date of shipment.

The spring-loaded roller carries a lifetime warranty. All parts, with the exception of electronic equipment (which are warranted for 1 year) are covered under this warranty to the original owner. On painted doors, painted finish shall be warranted for five years from peeling or blistering. Damage due to accidents or external causes are not warranted.
